

The Solar Energy Society (UK-ISES)

16th Photovoltaic Science, Applications and Technology Conference (PVSAT-16)
University of Salford, 15-17 April 2020

SPONSORSHIP OPPORTUNITIES

The PVSAT conference series has been running since 2003 and attracts around 100-140 delegates each year. The delegates are mainly from UK academia but UK companies are also represented. Invited speakers are high calibre researchers from Universities, Companies and Research Institutes worldwide. An industry exhibition is integrated into the conference format. Sponsors will be offered space for display within the Exhibition Forum. This year the PVSAT conference will be held at the University of Salford, Manchester.
